

Teacher Passes

What are Teacher Passes?

- Students love cashing in these coupons!
- They can be used as positive rewards, treats, incentives, and surprises!
- They can be recycled over and over!!
- They are excellent ways to spend quality time with your children.

What is the best way to use them?

- First, print the remaining pages on heavy cardstock. You can even laminate them if you'd like.
- Read them aloud to the student and let them sort them into 3 piles. (Older kids can do this alone.)

**Don't
Like**

**Sometimes
Like**

Loves!

- When sorting, **don't say anything**. You want their honest preferences. Don't feel offended if they don't like doing things that you like to do or you thought they liked doing.
- After sorting is completed. Put the first stack aside for later or for other children. Then put the "Sometimes Like" Teacher Passes in an envelope for "Small Rewards" and the "Loves!" stack in an envelope for "Big Rewards."
- When the student completes 5 behaviors on a Progress Card, he/she can redeem a "Small Rewards Teacher Pass" or choose to save up when they have practiced 10 behaviors and cash in a "Big Rewards Teacher Pass."
- This system lets you know what rewards are most meaningful for your students while spending minimal time or expense.

**Small
Rewards**

**Big
Rewards**
