

# Counselor Passes

What are Counselor Passes?

- Students love cashing in these coupons!
- They can be used as positive rewards, treats, incentives, and surprises!
- They can be recycled over and over!!

What is the best way to use them?

- First, print the remaining pages on heavy cardstock. You can even laminate them if you'd like.
- Read them aloud to the student and let them sort them into 3 piles. (Older kids can do this alone.)

**Don't  
Like**

**Sometimes  
Like**

**Loves!**

- When sorting, **don't say anything**. You want their honest preferences.
- After sorting is completed. Put the first stack aside for later or for other students. Then put the "Sometimes Like" Counselor Passes in an envelope for "Small Rewards" and the "Loves!" stack in an envelope for "Big Rewards."
- When the student child completes 5 behaviors on a Progress Card, he/she can redeem a "Small Rewards Counselor Pass" or choose to save up when they have practiced 10 behaviors and cash in a "Big Rewards Counselor Pass."
- This system lets you know what rewards are most meaningful for your students without spending a lot of money.

**Small  
Rewards**

**Big  
Rewards**
